

DEADLINE OCT. 20 MAIL-IN VOTING

2020 General Election is rapidly approaching!!

Mail-in voting is another way to vote if you don't want to or can't go to an early voting center or your polling place. Due to the COVID-19 outbreak, the State Board of Elections and local board offices are currently closed to the public, therefore making an in-person ballot request is NOT available – requests must be made online! You choose how you want to receive your mail-in ballot. Election officials can mail, fax your ballot to you, or you can download your ballot from the State's website.
